\*Floss estimation is for stitching with one strand over two linen threads on 40 count fabric. DMC equivalents are only approximate, as there are no exact equivalents for hand-dyed threads.

Model is stitched on 40 count Newcastle Linen by Zweigart ~ Cream (3348/222/55). The entire piece is stitched in cross-stitch over two threads of linen with one strand of Gloriana 12-Strand Silk.

As always, I encourage you to choose floss and fabric colors that match your personality and style.

Stitch Count: 192 x 256

### Over two linen threads:

Fabric Count	Design Size	Cut Size
40 Count	9 ¾ x 12 ¾	15 ¾ x 18 ¾
36 Count	10 ¾ x 14 ¼	16 ¾ x 20 ¼
32 Count	12 x 16	18 x 22
28 Count	13 ¾ x 18 ¼	19 ¾ x 24 ¼

Package contains a master chart, an enlarged chart for easy viewing, and a worksheet for name and date placement. The enlarged chart is printed on four pages with an overlap of 6 stitches (shaded area).
